**ERG is proud to continue our great relationships with
our nationwide dealers and specifiers.**

Through the years, healthcare environments have changed and require supportive products and efficient spaces. With our balanced and smart designs, ERG delivers forward-thinking solutions that positively impact the healing experience for caregivers, patients, and their families.

Our products complement each other within the landscape of any space, and will help to support the healing process. We are committed to providing quality products with the understanding that comfort can lead to the road to recovery of health and well-being.
