Onward

Patient Recliner

The Onward Recliner is designed to meet the demands of increasingly smaller patient and resident rooms. This new addition to the Onward Collection features a 22" seat width, narrower than a traditional recliner. Thus it combines the qualities of a typical highback patient chair with a healthcare-grade recliner.

Features

- 22" seat width
- 14-gauge steel inner frame
- Pneumatic cylinder provides infinite back recline
- Replaceable upholstery covers
- Easy-to-clean design
- Large, contoured headrest
- Easy-to-activate reclining mechanism

Options

- Polyurethane arm caps
- Contrasting fabrics
- Custom finishes
- Locking casters

Gibraltar

Patient Room Case Goods

The sleek, aluminum legs of the Gibraltar Series protect the cabinet while maintaining 6" of clearance, for ease of cleaning. The series consists of bedside tables, dressers, wardrobes with or without a drawer, and a platform bed.

Features

- Limited Lifetime Warranty
- Anodized aluminum legs protect against damage
- 6" clear space below cabinets makes it easy to clean beneath
- All cabinets feature 3/4" backs finished in matching laminate
- Cabinet tops are 1" thick and rounded to eliminate sharp corners at the front
- Bedside cabinets feature ventilation ports in the back
- Steel drawer boxes provide increased durability

Options

- Secondary top for bedside cabinets
- Custom finishes
- Custom dimensions
- Plastic drawer liners for bedside cabinets
- Tops available in solid surface or thermofoil
- Various lock types available
- Wood bullnose edge option available

Powder-coated steel drawer sides covered by lifetime warranty

Optional drawer liner available for all bedside cabinet models

3/4" thick matching backs are ventilated for air flow

Optional thermoformed top features spill-containment surface

Kindred

Patient Room Case Goods

The key to Kindred is the freedom to mix-and-match multiple top, face and toe kick styles, to achieve the desired aesthetic. The line is composed of bedside tables, dressers, wardrobes and desks. The Kindred Series is well-known for its proprietary self-locking bedside cabinet system that enhances cleanliness and patient safety.

Features

- Limited Lifetime Warranty
- Tops, drawer fronts, doors and toe kicks surfaced in seamless thermofoil
- Several top styles and drawer/door styles available
- All cabinets feature 3/4" backs finished in matching laminate
- Bedside cabinets feature ventilation ports in the back
- Steel drawer boxes provide increased durability
- Tops, drawer fronts, doors and toe kicks are field-replaceable

Options

- Custom dimensions
- Plastic drawer liners for bedside cabinets
- Galley rails for bedside cabinets
- Tops available in solid surface or thermofoil
- Various lock types available

Powder-coated steel drawer sides covered by lifetime warranty

Optional drawer liner for bedside cabinet models is removable for cleaning purposes

K-D fasteners allow tops to be easily replaced in the field. Doors and drawer fronts are also field-replaceable

Many top styles and options available. Solid surface top with galley rails shown here

Tables

For Behavioral Health

We serve the needs of behavioral health facilities with heavy-duty tables in various base styles and tops in a range of sizes. To enhance safety the table bases are weighted, and the 1" tops have a solid wood bullnose or polyurethane edge. We also supply internally weighted drum tables with a laminate surface in our seven wood finishes.

Features

- Disc and trumpet bases constructed of 14-gauge seam-welded steel tube
- All tables weighted to discourage handling
- All fasteners are tamper-resistant
- Table tops are 1" thick and feature softened edges and corners
- Drum Table features steel plinth base for added protection

Options

- Custom finishes
- Custom sizes
- Custom edge styles
- Additional weight can be added on request

*Tables are available in many shapes, sizes and finishes. Custom sizes also available.

Upholstered

Drum Table for Behavioral Health

Our upholstered drum tables provide versatility in healthcare environments. Available in a variety of sizes and combinations, these tables can also be used for additional seating or as an ottoman.

Features

- All fasteners are concealed
- Glides are tamper-resistant and non-removable

Options

- Steel plinth base adds weight and protects table from damage
- Solid surface top available in a variety of colors
- Custom powdercoat finishes
- Built in power/usb receptacle

Statement of Line

Fortress

Behavioral Health Case Goods

Like Stance heavy-duty seating, Fortress case goods were developed in consultation with a psychiatric facility for safety, durability and residential appeal. The line includes platform bed, bedside table, dresser, chest, single or double wardrobe and desk.

Features

- Limited Lifetime Warranty
- Drawers are non-removable without a special tool
- Anti-ligature features include inset pulls, continuous hinges and J-Bar in wardrobe
- Cabinet tops are 1" thick and flush-mounted to inhibit handling of the unit
- Wardrobe doors hung on steel piano hinges
- Wardrobe top is sloped to eliminate non-visual surface area
- All joints reinforced with double-dowel construction

Options

- Custom finishes
- Custom dimensions
- Can be bolted to wall if required
- Bed options include restraint loops and bolt-to-floor brackets
- Units can be supplied with various lock types
- Wood bullnose edge option available

Inset pull is reinforced to withstand force

All drawers are non-removable without special tool

Wardrobe piano hinge reduces ligature risk

Bed features optional restraint loops

Liberty

Behavioral Health Case Goods

The Liberty Collection for Behavioral Health exudes a warm, residential aesthetic without sacrificing durability and safety. Tops, doors and drawer fronts are surfaced with seamless thermofoil and feature softened edges to reduce risk of injury.

Features

- Drawers are non-removable without a special tool
- Integral finger pulls reduce risk of ligature
- Cabinet tops are 1" thick and flush-mounted to inhibit handling
- Wardrobe top is sloped to eliminate non-visual surface area
- All joints reinforced with double-dowel construction

Options

- Custom finishes
- Custom dimensions
- Can be bolted to wall if required
- Bed options include restraint loops and bolt-to-floor brackets
- Units can be supplied with various lock types

All corners and edges softened to reduce risk of injury

Integral finger pulls reduces ligature risk

All drawers are non-removable

Wardrobe J-bar reduces ligature risk

Gibraltar

Behavioral Health Case Goods

Gibraltar BH Collection features rounded aluminum extrusions that protect the cabinet from damage and offer a contemporary, residential aesthetic. The collection includes a wide range of bedside tables, dressers, wardrobes, desks and a platform bed.

Features

- Limited Lifetime Warranty
- Double-wall construction increases weight and durability
- Anodized aluminum legs protect cabinets against damage
- Drawers are non-removable without a special tool
- Anti-ligature features include inset pulls, continuous hinges and J-Bar in wardrobe
- Cabinet tops are 1" thick and flush-mounted to inhibit handling
- All joints reinforced with double-dowel construction

Options

- Custom finishes

Aluminum leg features a custom fit glide that is non-removable

Cabinet tops are 1" thick and flush-mounted to inhibit handling. Available in solid surface

Frontier

Behavioral Health Case Goods

Frontier is a rotationally-molded collection for Behavioral Health consisting of a bed and coordinating bedside cabinet. Both units are constructed with high-impact polyethylene, continuously molded for maximum durability.

Bed Features

- Filled with polyurethane foam for enhanced durability
- Corners and edges rounded for increased safety
- Surface features grooves for fluid management
- Stain-resistant, seamless and easy to clean
- Cal TB 133 compliant

Bed Options

- Can be bolted to floor
- Behavioral Health mattress also available

Bedside Cabinet Features

- Flip-style design for preferred configuration
- Stain-resistant, seamless and easy to clean
- Cal TB 133 compliant

Bedside Cabinet Options

- Can be bolted to wall

Multi-use "flip style" cabinet

All corners and edges rounded for increased safety

Bed surface features grooves for fluid management

Optional floor-mount plug system

Bed ends raised to hold mattress in place

Fusion

Behavioral Health Case Goods

Highly durable, safe and easy to maintain, the Fusion series includes beds, shelving and accessories for patient room spaces that are rotationally molded for maximum durability. That means all units are molded into one continuous, seamless piece of high impact polyethylene to achieve and sustain a consistency of strength.

Features

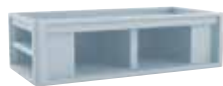

- Corners and edges are rounded for increased safety
- Cal TB 133 compliant
- Stain-resistant, seamless and easy to clean

Options

- Custom colors available for larger projects
- Can be bolted to floor or wall
- Bed options include storage compartment and bed riser

Seat and back tilt levers (both models)

Adjustable back height mechanism (both models)

Rugged polyurethane seat and back (model S1600)

Height-adjustable foot ring (both models)

Limited Lifetime Warranty

Stance Healthcare Inc. is pleased to warrant products it manufactures against defects in materials and workmanship for the life of the product to the original purchaser beginning from the date of shipment of the product. This warranty shall not apply to any products that have been subjected to misuse, abuse, negligence, accidental damage, damage in transportation or improper maintenance. In addition, this warranty shall not apply to any product whose original construction has been altered by someone other than Stance Healthcare Inc.

Stance Healthcare Inc. hereby disclaims all implied warranties including the implied warranty of merchantability or fitness for any particular purpose. At its discretion, Stance Healthcare Inc. will repair or replace defective parts that meet the terms and conditions of this warranty at no charge to the original purchaser: Return freight charges incurred under warranty claims will be paid by Stance Healthcare Inc. provided that the customer received written authorization and shipping instructions from Stance Healthcare Inc. to proceed with the return.

Stance Healthcare Inc. bears no responsibility for defects of any kind in upholstery materials such as shrinkage, stretching, wrinkling, color fastness or any other defect occurring as a result of normal "wear and tear" of textiles. Upholstery materials applied to products manufactured by Stance Healthcare Inc. are subject to the specific warranties, if any, of their manufactures.

Components, including reclining mechanisms, casters, gas lifts, hardware will receive the express written warranty provided by the supplier of each item used in the Stance manufacturing process.

All seating foam is warranted for a period of five (5) years from date of purchase.

Stance Healthcare Inc. is not responsible for variations in wood finishes that are a result of natural wood color variation.

Product sold by Stance Healthcare Inc., but manufactured by another company is subject to the written warranty, if any, of that company. Stance Healthcare Inc. shall not be liable for consequential damages arising from any product defect.
